DEMO LIST SUGGESTED FOR YOU:

AI-Team for smart factories

GREAT (Green Resources Efficiency, Automation and Tracking)

CONVERSATION TRANSCRIPT

User: Hi, can you suggest me a demo on industry and automation?

Assistant: I'd be thrilled to suggest a demo that's sure to spark your interest in industry and automation. Let me introduce you to the "AI-Team for smart factories" demo, where you'll discover a crew of collaborative generative AI agents working together in perfect harmony to develop software applications for instructing Cobots in a smart factory. You can find this innovative demo in Sala Volta.

I think you'll also be fascinated by the "GREAT (Green Resources Efficiency, Automation and Tracking)" demo, which takes a bold approach to industry and automation by introducing a centralized licensing system for active management of industrial resources. Would you like to learn more about this groundbreaking demo?

Faithfulness is 1.0

User: many thanks. you very very useful.

Assistant: I'm glad I could assist you. I'm here to help.

By the way, are you planning to attend the Innovation Day event at Ericsson in Genoa? If so, I can help you navigate the different demos and exhibitions. What area are you most interested in?
